

BERNINA 215

Highest quality for a low price tag!

An exciting introduction to sewing! So you want to make sewing your new hobby or spread your creative wings? What's more, you place a high value on quality. Then the BERNINA 215 is the right choice for you! It's exceptionally user friendly, easy to handle, robust and durable. It even grows to meet your demands – if need be, it can be equipped with a host of special accessories, and adapted to your personal sewing requirements.

Customize Your new BERNINA 215 with Exclusive BERNINA DesignSkins®

BERNINA DesignSkins® are precision-cut vinyl stickers that are easily applied to your BERNINA 215, allowing you to sync your machine with your style. Simply visit the website to upload your own image or choose an existing design from our online gallery and just a few days your custom DesignSkin will be at your door! Do you want to make sewing your new hobby, spread your creative wings occasionally and sew something individual and different, deck out your home with original decorations, or alter the odd garment when the need arises? What's more, you place a high value on quality. Then the activa 210 is the right choice for you!
